What kind of weather do you like? Why?
What season do you like the most? Why?

listen to the weather forecast.
If rain is coming, put on
suitable clothes and shoes and
take your umbrella.

But there are some other things
that show that the rain is
coming: a cold stone becomes wet, the leaves of a carline thistle stretch, its
blossoms close and our hair stretches a little.

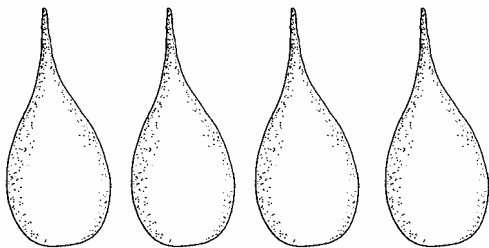

Do you know what a weather house is? It shows if the weatehr is fine or bad. Wet air
draws Micka into the house and Janez comes out with an umbrella.

Watch these things and guess when the rain is coming.
